The Museum of Zoology
Visual Story

Welcome to the Museum of Zoology.

The museum is free to look around.

The Museum is on a University site with yellow vehicle barriers. There is a pedestrian walkway to the right of the barriers.

The Museum has steps or a ramp going up to it.

There are automatic double doors to get into the Museum.

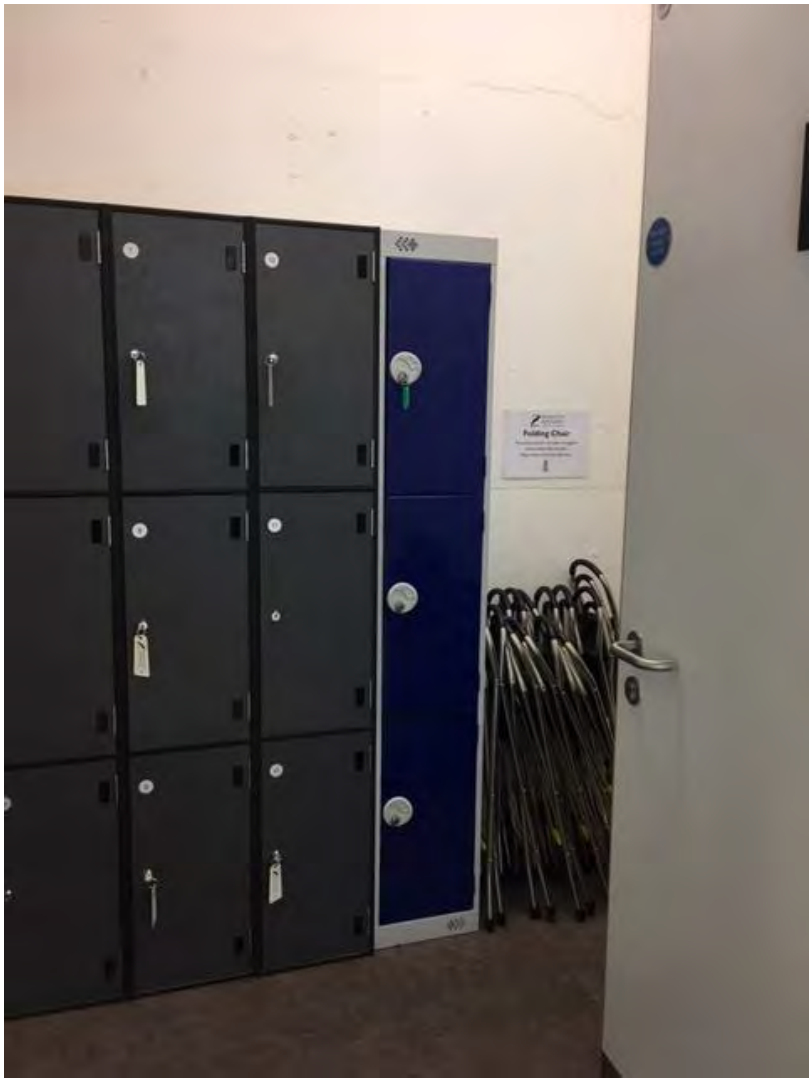
There is a welcome desk in the shop area. Staff can answer questions.

There is a lift if you have restricted mobility.

The toilets are to the left of the welcome desk.

If you get tired, there are benches and seats in some of the galleries.

There are lockers if you want to leave your belongings. The lockers are in a small room next to the gallery entrance (between the entrance and large display case).



There are stools if you want to carry one round with you.

Our staff are at the welcome desk and in the galleries.

Everyone is here to help and answer any questions you might have.

We have a shop on the first floor where you can buy a selection of things to take home.

There is a café where you can buy food and drinks.
